I AM IN KASGANJ

Kasganj, which lies in the historical region of Braj, was also known as Khasganj during Mughal and British period. The town was constituted a municipality in 1868. Kasganj set in the midst of the strategic Indo-Gangetic plain figured in military and political vicissitudes of ancient kingdom from the Mahabharata onwards.

Kasganj is a city of rich cultural heritage. It is the junction of east, west and south UP that very much reflects through people's language, dresses and dishes. Direct impact of Brij Pradesh is very much evident. Hindu-Muslim culture is woven fine here. There is a long history of togetherness of both communities with love and respect to each other. Christians and Sikhs are also indispensable part of the society.

Seth M. R. Jaipuria School, Kasganj is going to be a highly sought-after educational organization in the neighborhood. The locality of Kasganj has a large number of residents from all walks of life. The place appears to be a pollution free green city, having almost all the basic and advanced amenities of human life, but for an educational organization of the first water in the K-12 segment. Having studied the pulsating requirements of the school-going fraternity, the eminent Seth M. R. Jaipuria schools have planned to establish its time-tested feet at Kasganj in the form of its branch. It is certain that this establishment is going to be more promising than it is estimated to be.

MESSAGE FROM THE DIRECTOR GLOBAL EDUCATION WITH AN INDIAN SOUL

It is said that a leader is born with the birth of every child. The only need is to provide an enabling environment, careful nurturing and effective use of their unbound talents.

At the school, our philosophy is to reduce pressure and carefully nurture the student's hopes and desires while boosting self-esteem. We believe we all have the capacity to improve and learn. Children develop this capacity at different rates. And just like a potter molds clay, constant encouragement, immense hard work and love can mold students into future leaders.

Students at our school will not compete with each other, but with themselves by constantly raising their expectations and achievements. This will not only make them self-driven but also sensitive and empathetic to other's failures and emotions. True learning comes through igniting the curiosity of each child and by guiding till they are free from fear of failures.

We seek to groom future leaders and ensure that each one is physically sound, mentally capable and emotionally secure to face challenges of life. We are but a guiding medium on their way to greatness ensuring they are not led astray.

MESSAGE FROM PRINCIPAL'S DESK RAISING LEARNERS FOR A NEW WORLD

If you too are creative and innovative; If you want to establish an image of your own, or be a leader in whichever avenue you dream for... If you want to take wings on the latest technologies, still are grounded in eco-friendly initiatives... if you are looking for contributing distinctively by your inventive deeds with utmost creativity... Seth M. R. Jaipuria School, Rasganj is the apt school for you. Ideation. Innovation. Creation. These are the hallmarks of excellence, and these are the values on which the school is being built. Come and embark on this journey in pursuit of excellence alongside us.
